Overview

The classic Manhattan 56 offers a expansive flybridge and generous outside social space. The owner of this boat has a 'no expense spared' attitude to his boating and this shows as soon as you walk on board. With the new teak deck on the flybridge and aft cockpit, new exterior cushions were also added for the 2011 season, along with an update to the Raymarine navigation in 2010. As such, "Phoenix" has been well modernised. She has been serviced by MAN service agents from new, the engine room is kept to the same levels as the exterior.
