SPECIFICATIONS

Overview

This is one stunning original example of a Sunseeker Comanche 40. Her very proud owner presents her in beautiful condition and has owned her for 3 seasons. You can clearly see from the photos below that no expense has been spared throughout her life. The Comanche 40 was one of the first boats on the market to host a tender garage which will house a small tender or small Jet Ski. The Cockpit can only be described as vast and gives the feel of a much bigger sports cruiser also offering a very generous size Wet Bar. Below decks she has a fully equipped galley and day head complemented by a large C shaped seating area that can make to a double berth. The Comanche also offers a unique layout to the aft cabin offering a small sofa and 2 single beds as an L shape configuration. Please contact us for further information.
