SPECIFICATIONS

Overview

"RIOJA" is a great opportunity to acquire a very exciting and sought after vessel. This one-owner from new, well maintained example has an impressive specification including a CCTV system, upgraded hi-fi throughout, electric aft Cockpit awning and with close boarded Walnut flooring for all internal floor areas (except for the Cabins). Every system on board has been checked over and is fully functioning. Low hours, quality and functionality are all key points to highlight this boat as a great option for any buyer of this model. And with a top speed of 40 knots plus, she can run with the quickest or cruise with slowest, very much a best of both worlds style of boat. Please contact us for more information.
