# SPECIFICATIONS

---

## Overview

---

An extremely good example of this very popular model from the Sealine factory. This is a rare opportunity to purchase a one owner boat that is presented in fantastic condition. Having been looked after by the same contractor from new she has a fantastic background including a full service history. Eberspacher heating allows use of the boat throughout the year whilst the Raymarine radar offers confidence to take the step into longer passage making. Recently fully serviced antifouled and polished, this boat is fully ready for a new owner. The boat is also offered for sale with a mooring in Torquay marina (at separate negotiation).
