SPECIFICATIONS

Overview

Valeted very recently, this is a very well presented Targa 40. Fitted with the awesome D6 350 engines, this boat is capable of speeds in excess of 40 knots! In conjunction to such performance, she also offers 2 large cabins making staying aboard a pleasure. The forward owner's cabin benefits from its own private access to the heads, whilst the aft cabin features a hand basin, making it ideal for guests. The saloon is also easily transformed into a berth for 2 adults and makes this boat a good 6 berth. The cockpit of the Targa 40 is vast with 2 good size seating areas, one forward by the helm and the main seating area around a large cockpit table. At the helm you will find a industry leading Raymarine E120 that is married to both Autopilot and Radar. For longer stays on board and for exploring more off the beaten track, the boat has a new Fischer Panda generator that is capable of running the 240v systems on board, including the cockpit BBQ! Please contact us to discuss a part exchange.

Basic Information

Category: Motor Yacht

Model Year: 2006

Year Built: 2006

Country: United Kingdom
