## Overview

---

Finished in eye catching white and red, this stunning performer stands out in any marina. A one owner pedigree example this boat excels in performance and presentation. The interior is high gloss cherry which has not faded and has seen minimal use. This boat has been used as a day boat in conjunction with a villa and is a sterling example of this Sunseeker classic. The triple Trimax and Yanmar 420hp combination make this boat perform to an incredible level and also produce a remarkable roaster tail, which gives the Superhawk 50 a signature look in any sea. The long narrow deep V hull also enable it to cut through the waves making it a capable performer in all conditions. Currently winterised in a warehouse this boat is ready for sale and is designed to impress.
