SPECIFICATIONS

Overview

We are excited to announce to the market one of Sunseeker's most successful models; the 82 Yacht "WHITE GOLD". A classic white hull with the sumptuous high gloss Cherry interior, this vessel offers vast volume for its size and a Master Cabin similar to that found on a 30 metre sized yacht. The 82 Yacht offers accommodation and levels of space which would be hard to beat on a modern day 24 metre yacht. This particular 82 Yacht was sold by us from new and never chartered, this privately owned and operated vessel is in tip top condition and must be seen to be appreciated. A fully loaded example including upgraded generators, flybridge crane, upgraded Raymarine displays, custom Saloon layout, semi-enclosed Galley and much more. "WHITE GOLD" has been meticulously maintained since new and is without doubt the best example on the market. Please contact us now for further information.
