SPECIFICATIONS

Overview

For friends and family the Predator 62 presents a powerful holiday platform. With a cruising range of 270 nautical miles, there's scope to enjoy a great deal. And at full pelt, 37 knots gets you wherever-fast. While the ride thrills, the Sunseeker hull design and deck detailing provides an impressive soft riding sensation. Movement around is made easy with good sized side decks and handrails exactly where needed. Beyond design study the comfort is in the plan, with this Predator continuing the theme of open plan deck saloon with atrium style stairwell, this time to a second lower saloon and galley from which three sleeping cabins radiate. Contact us for further information.

Basic Information

Category: Motor Yacht
