## Overview

---

The Carver 450 Voyager Pilothouse is an extremely spacious flybridge cruising motor yacht, with a huge amount of space inside and out. She features two large double cabins plus a twin, and a clever pilothouse with dining table and seating leading to the longitudinal galley. This particular version has the benefit of a large additional swim platform, which suits her very well for typical Med cruising. She is very well looked after both mechanically and cosmetically, the Owner is investing a lot to keep the boat in very fresh condition. The carpet is new in all cabins and salon, the galley floor (wood) is new, and the galley furniture have just been lacquered. The exterior upholstery is new as well, so are all the covers and biminis. Definitely a great boat with lot of charm, undoubtedly the best maintained Carver 450 on the market and the cheapest one.

## DETAILED INFORMATION

---

### Accommodation

---

The Carver 450 Voyager Pilothouse has two large double cabins below, both with ensuite facilities, plus a large single cabin. The saloon features a clever raised pilothouse with dining table and seating, leading down to the longitudinal galley area to port. There is plenty of seating and huge side windows which allow in plenty of natural light to the whole area. On deck, the large flybridge and cockpit can be completely closed off with a fabulous set of full boat covers.
