SPECIFICATIONS

Overview

"RIEKE" is a excellent example of a very well maintained classic Sunseeker San Remo 33 as she has been stored undercover every winter by her sole and meticulous owner since new. The large cockpit is still mostly upholstered with its original cushions, just as the interior soft linings, carpet and upholstery. Two good cabins plus the convertible saloon table can accommodate up to six people. For nostalgics or new comers this is a chance to purchase a Sunseeker built as the good old days.
