SPECIFICATIONS

Overview

"Nielen" is a lovely example of one of the most popular Portofinos, Sunseeker has built. The Portofino 53 is recognised for her great distribution layout, excellent handling and for being a robust sea keeper even in adverse weather conditions. The engines fitted are the Volvo Penta 800hp and they have just been serviced. She is equipped with the newest hard top, upgraded generator, air conditioning in the cabins and cockpit, hydraulic gangway, sun awning stainless steel structure to provide shade to the aft sunbathing area, navigation equipment, bow thruster and bow sunbathing cushions. She has only had one owner since new and she is immediately available. Please contact us for further details or to organise a visit.

Fuel Type: Diesel

DETAILED INFORMATION

Accommodation

The 53 Portofino is the perfect compromise between day boat and long-cruise vessel. Her superb cockpit space makes her ideal to enjoy life on board while at anchor and her size and robustness makes long journeys an easy job. At stern a large hydraulic operated door makes the garage accessible for up to 3.25 meters long tenders (not included). Above the garage there is large sunbathing area and the cockpit includes spacious seating area with wetbar with ice-chest, grill and sink, and comfortable pilot and co-pilot seatings. The most important feature of the cockpit is the opening hard top that provides shade and fresh air in hot days. Below decks there is a large saloon area with fully equipped galley opposite and the accommodation layout is made of three cabins: forward master cabin with double bed and ensuite head and two stern cabin with twin single beds that share one head with shower on the port side.
