## Overview

---

'ESCAPE' is a wonderful well-kept family vessel perfect for entertaining friends and family and ideal for Mediterranean cruising. In 2004 she had new engines fitted which explains the low amount of hours (460hrs) she totals today. In 2008 her generator and freshwater systems were replaced and respectively total approx. 40hrs and 152hrs. These particular attentions by the current owner are testament to the pristine condition 'ESCAPE' is in today. In her open form, 'ESCAPE' gives a real sense of freedom. From the cockpit all the way to her al fresco J- shaped dining space, and to her spaciouly welcoming sunbeds, your sunbathing is transformed into an open- to- the- skies experience, thanks to her bimini sun awning. The spatial planning below enhances the free flowing sociable areas inside and out, made all the more enjoyable thanks to her fully equipped open plan kitchen and comfortable saloon and dining area. The integral garage includes a dinghy, and the hydraulic gangway completes the aft of the boat with a generous bathing platform. In addition to 'ESCAPE's' fantastic pedigree and well-kept living quarters, you will be thrilled with her performance and manoeuvrability.
