SPECIFICATIONS

Overview

Designed by Garroni and Premorel Concept, the NC11 is a totally new take on space and life aboard. This particular boat has had one owner who has taken extremely good care of her. The modular internal features are restrained and comfortable: cabins, huge bathroom, saloon, storage and more. Sterndrive transmission and carefully-chosen engine power are responsible design features. A sophisticated product that will appeal to true connoisseurs. A panoramic view and a fully equipped helm station make coastal cruising easy and enjoyable. Z-drive twin engines make it even better. Bright natural lighting and excellent ventilation bring you closer to the elements.

DETAILED INFORMATION

Accommodation

The boat has a very open feel with a flush cockpit, saloon deck arrangement. The saloon sofa can be converted to a bed and the seats can be adjusted to face forward or aft. A helm station is situated on Port side with a side-door to the foredeck. The lower cabin deck consists of a Forward master double with en-suite to port and a twin on Starboard side that can easily be converted into a large double with an infill cushion. There is ample storage space under the saloon floorboards which really adds to the appeal of this boat.
