## Overview

---

This Squadron 58 is a 2011 model and build. She is a well-appointed flybridge cruiser, considered by many to be one of the best models ever produced by Fairline and this example is certainly the best ever seen on the market, considering she is highly specified and benefit from a very good maintenance. Her deep-V Olensinski hull gives great sure-footed rough water performance and yet there is still a fantastic internal space for 3 large cabins plus many features such as a separate crew quarters and a very social Flybridge. She is professionally maintained and kept in an absolutely very good condition by her fastidious owner. Absolutely turn-key and ready to enjoy. Powered by the larger twin Volvo D13 900hp diesels, she is happy to cruise in the Med.
