SPECIFICATIONS

Overview

Equipped with twin 480hp Yanmar engines on Arneson drives, the stunning Sunseeker Superhawk 43 "COOL WATER" is capable of speeds up to 49 knots! Built in 2008 to a very high specification, "COOL WATER" has to be one of the best examples of the popular sports model available on the market. Her white hull has been beautifully maintained, having been looked after carefully by her owner on the Costa Brava. Offering essential additional extras including air conditioning, bow thruster, teak platform, trim tabs and carbon console, "COOL WATER" is in turn-key condition for her next owner. Viewing is highly recommended. Please contact us for more information.
