## Overview

---

Built in 2009 the Sunseeker 86 Yacht "MaXxx" is a prime example of one of Sunseeker's most popular and forward thinking models in recent years. "MaXxx" boasts a number of unique features that sets her apart from other Sunseeker 86 Yachts currently on the market. It is clear the moment you step aboard that she was built with family cruising and entertaining in mind. Unlike other Sunseeker 86 Yachts, this particular example features an open Galley that overlooks the Saloon and Dining; greatly increasing the feeling of space as well as functionality at the same time. Carefully designed by her current owner and the Sunseeker Internationals design team, her interior colours as well as fixtures and fittings greatly enhance this already exquisite vessel. Boasting 4 ensuite Cabins (Master midships, Forward VIP as well as sliding Twin Port and Starboard guest Cabins that convert to Double Cabins if required) with capacious windows greatly increase the natural light in the Lower Decks and further enhance the already opulent feeling onboard. Careful attention to her ancillary equipment has meant that she is fitted with Trac Digital fin stabilisers (zero speed and whilst underway), retractable hard top, twin generators, twin anchors, tropical air conditioning as well as jacuzzi spa on the Flybridge and crane allowing a jet ski to be kept aboard along with the vessels tender. Lying in Singapore, this is a unique opportunity to purchase a highly specified and well maintained Sunseeker from a careful and experienced owner.

# DETAILED INFORMATION

## Accommodation

Accommodation for 8 guests in 4 en-suite Cabins, full beam Master Cabin with walk-in wardrobe and double shower, forward VIP with private entrance, walk-in wardrobe and spacious ensuite. Her Twin Guest Cabins feature sliding berths that can be converted to queen size beds therefore allowing accommodation for up to 4 couples in spacious ensuite accommodation. Her open galley has allowed for the installation of a bar area which overlooks the Saloon and Dining Area. The Flybridge has been cleverly arranged to include a large jacuzzi along with a crane for the storage of a jet ski. Accessed through the stern of the vessel is the Crew Area with accommodation for up to 4 crew in 2 Cabins (1 twin and 1 double) as well as a crew mess and direct access to the engine room.
