SPECIFICATIONS

Overview

The Bavaria 33 Sport performs and handles like a much larger vessel. Its innovative use of space combining a one level Cockpit design, full walk around decks, private aft Cabin and full mahogany interior are unique in its class. The exterior is functional and provides ample space for the crew to move around the deck, while the Cockpit provides great visibility and control over the yacht thanks to the ergonomic console and the easily readable instruments. The low centre of gravity and handling characteristics make it a well-balanced, easily handled sports cruiser where practical design, performance and user friendly amenities combine to make it a perfect boat for holidays with family and friends. Part exchanges will be considered. Please contact us for more information.

Basic Information
