SPECIFICATIONS

Overview

The 2008 Azimut 62 Evolution "ZAFFINA" is fitted with twin CAT C18 1015hp engines and has a full service history. Featuring Raymarine navigation, generator, tropical air conditioning, stern thruster and 3rd station engine and bow thruster controls. The Azimut 62E is one of the shipyards most successful flybridge models blending sportiness and style to give a unique and distinctive design with outstanding manoeuvrability features. Fantastic performance and the simplicity of navigation make life onboard a pleasure. Broad windows have been perfectly integrated in the design of the hull, enabling light to stream in and illuminate all the 3 Cabins located on the lower deck. The Flybridge has been designed for comfort from the wide open sunbathing area to the dining area with a spacious Helm console. Please contact us for more information.
