SPECIFICATIONS

Overview

This well-presented Atlantis 42 is in very good condition and well-maintained by the owner. The boat's engines are serviced by the authorised Volvo dealer in Malta and the boat is kept out of the water in a yard for the winter months. The bimini top is brand new and this winter a new cockpit cover and windscreen covers will be made and placed on the boat for added protection. Last season the boat was given a full polish to bring the blue hull colour back to new. A well designed boat and the perfect weekend cruiser. And just like its grit is seen in the design, its strength is felt at the helm. Superb temperament and performances and seaworthiness you can count on in every condition.

Basic Information

Engines: 2

Manufacturer: Volvo

Model: D6

Fuel Type: Diesel

DETAILED INFORMATION

Accommodation

The cockpit has two living areas. In the middle is a six-seat sofa with a large oval table, while aft is a sun pad that covers the space used as a garage for the tender. Below deck, sober elegance and refined materials provide the perfect welcome. The luxurious sofa, the wood and glass table, the elaborately worked cherry wood: a demonstration that little details can make a big difference. A single glance is sufficient to grasp the promise of this master cabin: pure relaxation. The bathroom, featuring a glass sink and a separate shower stall, is a masterpiece of style and ergonomics. In the stern, a cabin with two single beds offers a comfortable and useful space. A second head for guests is extremely spacious and gives that added bit of comfort and privacy for guests using the aft cabin.
