Overview

Blue Angel is a classic aft cabin Albin trawler in very good condition. This rare 40' traditional trawler has a single Lehman 135 hp diesel main engine, 5.5 kw generator, Vetus bow thruster and water maker. Two staterooms, a guest head forward, an ensuite head in the aft master stateroom and a spacious salon make this trawler very comfortable as an economical liveaboard. Blue Angel is ready to drop lines and get its new owner cruising.

DETAILED INFORMATION

40' Albin Overview

Blue Angel is a classic aft cabin Albin trawler in very good condition. This rare 40' traditional trawler has a single Lehman 135 hp diesel main engine, 5.5 kw generator, Vetus bow thruster and water maker. Two staterooms, a guest head forward, an ensuite head in the aft master stateroom and a spacious salon make this trawler very comfortable as an economical liveaboard. Blue Angel is ready to drop lines and get its new owner cruising.

40' Albin Walkthrough

Boarding Blue Angel can be done on either port or starboard side near amidships or from the tender onto the swim platform and up the short transom wall. Once on deck, from the port side you enter the aft end of the salon or from starboard at the lower helm. From the salon moving forward the U-shaped galley is to port with the guest head opposite to starboard followed by the V berth. The lower helm is to starboard in the salon. Looking aft, the sofa and dinette are to starboard which also converts into a twin berth. There is a fold out bar forward to port with two recliners along the port salon bulkhead. Enter the full beam master stateroom to port. The island queen has a large amount of storage to both port and starboard and the ensuite head with mini tub/shower is to starboard forward in the stateroom. The flybridge can be accessed from the aft deck, up onto the aft cabin deck and then up onto the flybridge where the helm is located to starboard.

40' Albin Accommodations

The two staterooms on this trawler comfortably sleep 4 and the sofa and dinette can convert to sleep 2 more.

The forward berth is a standard V berth configuration. An overhead hatch and portlights on both port and starboard allow plenty of natural light and airflow. There are book shelves with reading lights over each side of the berth, storage under the berths and a hanging locker to starboard with a large shelf on top provide ample storage space.

The guest head is aft of the forward berth to starboard. This is a traditional wet head with shower, toilet and sink in one space. There is a mirrored medicine chest above the sink, a single portlight for additional light and airflow and access to the back side of the lower helm.

The full beam master stateroom is in the aft of the boat. Entry is down a short set of stairs from the salon on the port side. An access door to the engine room is behind the stairs. Storage cabinets, drawers and hanging lockers line both the port and starboard bulkheads of the master suite and provide a large amount of storage. The island queen is on the aft bulkhead with nightstands built

in on each side with reading lights. Large windows on 3 walls provide a great deal of light into this space. A self contained air conditioning/heating unit is mounted in the overhead with its controls on the aft bulkhead above the berth. There is a large mirror on the ensuite head bulkhead to starboard in the master stateroom. The ensuite head is forward and to starboard in the master stateroom. A mini tub with shower is along the outer starboard bulkhead with a toilet, sink and mirrored medicine cabinet. A portlight provides additional natural light and airflow to the space.

The sofa and dinette in the salon convert to another twin berth utilizing the sofa pads and tabletop.

40' Albin Salon

The salon offers a comfortable space for navigating, dining, relaxing, entertaining and sleeping. A port side aft and starboard side forward entry door allow easy access into and out of the salon for tasks such as line handling. The lower helm is immediately inside the starboard entry door and has an excellent view around the boat. The instrumentation is forward for the helm with gauges and communications gear in the overhead. A small bench seat is available at the helm with salon storage underneath. Immediately aft of the helm is the L shaped Sofa with folding high gloss lacquered dinette table. The sofa and dinette convert to a twin berth utilizing the sofa pads and tabletop. Additional storage is located under the sofa. Along the aft bulkhead is the 21' RCA Flat Screen TV with Sony Micro HiFi Component System with DVD player and speakers. A Satellite 406 EPIRB is located on the bulkhead aft or the port side salon entrance. Forward of the port side entry door are two recliners with magazine racks on the bulkhead. Above the galley in the salon is a fold up bar with storage cabinets underneath. There are shades, screens and blinds for all of the salon windows and doors.

40' Albin Galley

The U Shaped down galley configuration offers a large amount of galley space without removing those in the galley from others in the salon. Facing the port side in the galley the double basin stainless steel sink is immediately to your left with a Norcold 7 cuft refrigerator and freezer to your right. The 3 place Force 10 propane stove with oven is directly in front of you with storage behind the stove, a 20 place spice rack and portlight above. A large amount of counter space with two in counter compartments, cabinets over and under the counter on both sides provide ample storage. A Black and Decker toaster, Mr. Coffee coffee maker and above counter mounted Haier microwave oven round out the appliances in the galley.

40' Albin Lower Helm

The lower helm is equipped with the following instrumentation and controls:

- Furuno 16 nm Radar display
- Garmin GPSmap 182C Chartplotter
- Autohelm ST 7000 Autopilot
- Interphase Forward scanning sonar
- ICOM IC-M304 VHF Radio with DSC
- Acu-Rite Weather Station
- Ritchie Compass
- Heart inverter/charger interface Link 2000-R
- Chamberlain Intercom
- Vetus bow thruster controls
- Windlass controls
- High water alarm

40' Albin Master Stateroom

The full beam master stateroom is in the aft of the boat. Entry is down a short set of stairs from the salon on the port side. An access door to the engine room is behind the stairs. Storage cabinets, drawers and hanging lockers line both the port and starboard bulkheads of the master suite and provide a large amount of storage. The island queen is on the aft bulkhead with nightstands built in on each side with reading lights. Large windows on 3 walls provide a great deal of light into this space. A self contained air conditioning/heating unit is mounted in the overhead with its controls on the aft bulkhead above the berth. There is a large mirror on the ensuite head bulkhead to starboard in the master stateroom. The ensuite head is forward and to starboard in the master stateroom. A mini tub with shower is along the outer starboard bulkhead with a Raritan electric toilet, sink and mirrored medicine cabinet. A portlight provides additional natural light and airflow to the space.

40' Albin Guest Stateroom

The forward berth is a standard V berth configuration. An overhead hatch and portlights on both port and starboard allow plenty of natural light and airflow. There are book shelves with reading lights over each side of the berth, storage under the berths and a hanging locker to starboard with a large shelf on top provide ample storage space.

40' Albin Guest Head

The guest head is aft of the forward berth to starboard. This is a traditional wet head with shower, Raritan Elegance electric toilet and sink in one space. There is a mirrored medicine chest above the sink, a single portlight for additional light and airflow and access to the back side of the lower helm.

40' Albin Flybridge

The large flybridge is enclosed with a bimini and Isinglass which were new in 2009. The bimini canvas is in very good condition. There are 3 large deck boxes, one holds 3 propane tanks. Four deck chairs with a storage cover and a fold up and out table provide an area to entertain or dine. A bench seat and two helm chairs provide seating underneath the bimini. A Follow Me unit with Direct TV dish is mounted on a mast to starboard. The following instrumentation and controls are installed at the flybridge helm:

- Garmin GPSmap 492 Chartplotter
- Garmin Fishfinder 160C
- Autohelm ST7000 Autopilot
- Standard Horizon VHF radio with AIS and DSC GX2150
- ICOM IC-M304 VHF radio with DSC
- Danforth Compass
- Chamberlain Intercom
- Vetus bow thruster controls
- Windlass controls

40' Albin Audio/Video Equipment

This trawler is outfitted with the following audio and video equipment:

- Dish Network 500 with Follow Me TV
- RCA 21" Flatscreen TV
- Sony Micro HiFi Component System CMT-BX1 with 2 speakers
- Chamberlain Intercom

40' Albin Electronics

This trawler is outfitted with the following electronic equipment:

- Furuno 16 nm Radar display
- Garmin GPSmap 492 Chartplotter
- Garmin GPSmap 182C Chartplotter
- Garmin Fishfinder 160C
- Autohelm ST 7000 Autopilot (x2)
- Interphase Forward scanning sonar
- ICOM IC-M304 VHF Radio with DSC (x2)
- Standard Horizon VHF radio with AIS and DSC GX2150
- Heart inverter/charger interface Link 2000-R
- Acu-Rite Weather Station

40' Albin Electrical System

This trawler is outfitted with the following electrical equipment:

- MasPower 5.5 kw Series 1 Generator
- Xantrex Freedom 458 2500 watt Inverter / 125 amp charger
- Newmar 50 amp heavy duty marine battery charger
- Heart inverter/charger interface Link 2000-R
- Trojin J-305-P house batteries (x4) (2010)
- Trojin SCS225 starting battery
- 50' 30 amp shore power cords (x3)
- 25' 30 amp shore power cord

40' Albin Engine/Mechanical Equipment

This trawler is outfitted with the following engine/mechanical equipment:

- Lehman 135 hp main diesel engine - 9,278 hours
- Dual Racor main engine and single generator diesel fuel filters
- Dripless shaft seal
- Hot water heater
- Spectra 200C Water Maker
- Vetus bow thruster

40' Albin Deck Equipment

This trawler is outfitted with the following deck equipment:

- 2011 AB 9' 10" RIB dinghy with 9.9 hp Johnson Outboard motor
- Bottom Paint (2014)
- West Marine deck boxes (x3)
- Lofrans Tigres windlass
- 44 lb Delta anchor
- 60 lb manson supreme anchor
- Full set of mooring lines (x2)
- Small utility cart

40' Albin Fire and Safety Equipment

This trawler is outfitted with the following fire and safety equipment:

- Satellite 406 EPIRB (expires 2017)

- Fireboy Halon 1301 Fire Suppression System Model 70VH
- Dual air horns
- Life Sling throwable flotation device
- Fire extinguishers (x7)
- Smoke and CO detectors
- Flares
