## Overview

---

***FEATURES COCKPIT AIR CONDITIONING***

***LOW ORIGINAL HOURS***

***TWIN 370 HP CUMMINS POWER***

***FACTORY HARDTOP***

***BEAUTIFUL YELLOW HULL WITH WHITE TOPSIDES***

Nancy Lee is a true find in today's market. She is the only 34 Legacy with Twin engines with straight drives and a hardtop available today. Low original hours on this rare and popular Downeast cruiser.

She has been well cared for and lightly used by an experienced yacht owner since 2008. Her hull was painted yellow in '09 and is stunning with her recent high gloss varnished caprails and factory hard top. Separate cockpit AC is an additional bonus.

A must see for anyone looking for a comfortable and economical Downeast style with a good turn of speed

### POWERBOAT GUIDE DISCRPTION

A Downeast-style cruiser from Freedom Yachts, builder of Freedom sailboats. Her designer, Mark Ellis, has drawn many of the best Downeast yachts over the years. The Legacy is built on a fully cored hull with moderate beam, and a sharp entry,

The interior of the Legacy 34 will easily suit the needs of the cruising couple, and the above average fit and finish is an indication of how well this boat is put together. Extra-large cabin windows provide all-around visibility, and the varnished mahogany woodwork and teak-and-holly sole add much to the traditional feel of the boat. Notable features include a deck door at the helm, wide side decks, and a gas-assist engineroom hatch. Twin-diesel options ranging from 315 to 440hp will cruise in the mid to high 20s.

---

## Exclusions

---

Owner's personal belongings.
