## Overview

---

The boat is in perfect working condition, continuously serviced and maintained. The engines have been replaced and power upgraded from 375hp to 435hp. Full anti-Osmosis treatment was carried out some time ago to which the guarantee is still valid. The boat enjoys very spacious sidewalks and deck space. The cabins have good head room all through, even in aft cabin. The OpacMare lifting platform has been installed recently, which is a great asset to the boat. The boat also includes a new hydraulic passerella. Replacement of new exterior Teak and interior Teak throughout all cabins. Exterior cushions have never been used and other exterior upholstery is new. The generator has been overhauled but still not installed in the boat. New engines were installed 6 years ago.
