SPECIFICATIONS

Overview

If one wanted to proudly show an example of a Sunseeker built in 2001 that is a prime example of extremely high quality maintenance, this Manhattan 74 would be a definite candidate. She is hard to fault. A very big Med Spec including teak side decks, extra second generator, exterior cushion covers, 420 tender, upgraded KVH satellite system, and a watermaker are just a few of the extras that were added to this wonderfully presented vessel. She has also only had one owner from new. Her full time skipper has done a magnificent job of keeping her up to scratch since 2001 and she only has 700 hours on the clock. A good service history, tax paid, and lying in the ideal location of Palma, Mallorca. I would class her as an ideal opportunity to acquire what was, and what continues to be, one of the most iconic Flybridge models in the Sunseeker range. Tax paid. Contact us and we will tell you more with pleasure.

Basic Information

Category: Motor Yacht

Model Year: 2001

Year Built: 2001

Country: Spain

Dimensions
