SPECIFICATIONS

Overview

With exterior styling that still looks as fresh today as she did when first launched, the Sunseeker Manhattan 56 "HIGHLANDER" is a truly stunning looking flybridge cruiser. Fitted with twin Caterpillar 800hp shaft drive diesel engines, she also has the performance to match. 3 good-sized Cabins plus Crew, a well laid out Galley and huge central Saloon with raised Dinette make up the internal accommodation. Outside there is a huge aft Cockpit and social Flybridge with wetbar. Her inventory is perfect for either UK or Med cruising with recently upgraded large screen Furuno plotters, open array radar, autopilot, VHF, bow and stern thrusters, generator, high-low platform, reverse-cycle air conditioning and much more. Currently lying afloat at Swanwick Marina and available to view 7 days a week at short notice. **Worldwide delivery can be arranged at additional cost, please ask for further details**
