## Overview

---

A fantastic example of this ever popular 4 berth 50ft Sunseeker, this vessel was one of the highest specified 50 Camargue hardtops ever built and has the larger and more expensive MAN engine option. Finished in a gloss cherry wood with teak and holly flooring interior, with the benefit of new leather seating in the lower Saloon and Cockpit, the upholstery really lifts the condition of the boat to another level. Viewing is highly recommended. This appears to be one of the most cared for and meticulously maintained vessels we have seen this year.
