SPECIFICATIONS

Overview

This 2008 Grady White 360 Express is in excellent shape. The seller has purchased a larger sportfish and is ready to sell. Designed for offshore anglers, the 360 is a big triple-outboard fishing machine with more deck space and cabin comforts than any previous Grady-White model. A huge 48-gallon livewell and full rigging station complete with freshwater sink, insulated bait box, lockable drawers and knife/plier stowage are standard. Note that a digital thermostat controls the aft-deck refrigerator/freezer fish box. The centerline helm (with electronic controls) has a clever slide-out table/mini-dinette to starboard that, when stowed, converts into a lounge. Below deck, the 360's well-appointed cabin with two double berths, a convertible dinette, enclosed head/shower, full-service galley, and tons of rod storage rivals most express cruisers in space and amenities. Nearly everything is standard including a hardtop, bow thruster, air-conditioning, and generator (with separate fuel tank).

Owner added third engine when he realized boat was underpowered with two.

Basic Information

Category: Sport Fisherman

Model Year: 2008

Year Built: 2008

Country: United States

Dimensions

LOA: 36' 0" (10.97m)

Beam: 10' 6" (3.20m)
