SPECIFICATIONS

Overview

HUGE PRICE REDUCTION!

The owners of this 340 Cruiser want this boat to be the next one sold. They are getting out of boating and are motivated to sell!

April 2017 engines were completely serviced including oil, filters, impellers, spark plugs, thermostats, rotors, serpentine belts, and more. This 340 Express Cruisers is the perfect boat for that day cruise and picnic, overnights, a night of entertaining, or that trip to the Keys that you always wanted to take. She has a Forward and Mid berth with one head and shower, galley, dining area, and is powered with twin 6.2 Mercury Horizon freshwater cooled engines with low hours. It has been well maintained by its owners and recently received a fresh detail and wax. The isinglass was just replaced June 2015. For further details see the full spec section.

Basic Information
