## Overview

---

The "Jersey Devil" is a very nice example of the popular Luhrs 32' Tournament. She is loaded with equipment and ready for offshore action or inshore cruising. She is powered by a healthy pair of Marine Power 454-7.4 liter 340 hp engines, she has a rebuilt Onan generator (@ 50 hours), Hurth transmissions, and recently replaced risers and manifolds on her main engines. Starboard motor was just replaced 2/2017, and port only has about 120 hours since major overhaul!!!! Starboard motor comes with a two-year transferable warranty!!

This is a clean boat with plenty of amenities for fishing and cruising. Owner has had a change of plans, and offers the yacht seriously for sale. Offers are encouraged, and trades will be considered!! This boat is ready to go now! Easy to see at Bluewater Yachting Center in Hampton, VA.
