SPECIFICATIONS

Overview

Belle is a traditional 31' Tiara Open express cruiser. She sports the large cockpit aft deck, large helm area with wide back to back seats to port and a tackle center behind the helm seat. This area also provides access into her forward salon. She has had some upgrades in her salon and berth area with new soft goods and a refinished teak floor. Belle has a forward center line v berth with filler and a dinette that converts into a double bunk, the standard Tiara galley, with cook-top, refrigerator/freezer and microwave. The head and wet shower all provide the amenities you'll need for that day cruise, weekend overnight, or long fishing trip. She has reverse cycle AC and heat, twin MercCruiser power and reupholstered seating. Belle has the trademark Tiara diamond pattern non-skid from bow to stern and provides a large 12 foot long cockpit.

Basic Information
