DETAILED INFORMATION

Introduction

The 370 Express Cruiser was Sea Ray's entry into the market to develop a serious, tournament-level fishing boat. In that regard, she followed the approach Tiara so successfully pioneered with their 3600 and 3700 Open models - a top quality express with a big, well - designed cockpit and a lavish, family-friendly interior. This Sea Ray is a big boat thanks to wide 14' -2" beam. The 370's engine room is reached via a centerline hatch, and for complete access the bridge sole can be raised at a push of a button. This feature makes maintenance a breeze. Unlike most Sea Rays of this vintage, the hull on the 37' is **solid fiberglass and not cored**. She can sleep four adults in two separate berths (convertible settee) and has a shower stall in the head. This is **the only Sea Ray made with a keel** and therefore she can run down sea at slow speeds without the need to over steer. Great Bahamas cruiser and fishing machine. **She is priced less than the gasoline engine boats... and she has a Marlin Tower.** Owner motivated to sell! Don't pass this one up!

Manufacturer Provided Description

The Sea Ray 370 Express Cruiser has a wide-open dual-level cockpit design, raised bridgedeck, and wide 14-foot 2-inch beam to provide a dry and safe ride. The 370 Express Cruiser has an aggressive power plant with twin Caterpillar 3116's fresh water cooled 340HP. Combined with a 350 gallon fuel capacity, that means it can go anywhere, and quickly at a comfortable cruise of 21 knots. On the bridgedeck, a power adjustable double helm seat, and portside double helm seat with aft-facing seat provide the captain and guests with a view and comfort. The captain also has full command of a host of technical and safety features like a Raytheon electronics package, high water bilge pumps and alarm, plus a digital LCD systems monitor for engine diagnostics and pump monitoring. Even the dash itself has a tan gelcoat with rich burl wood accents. If fishing is the order of the day, the lower deck area features a large insulated in-floor fish box with hinged lids and pump-out to hold a sizable catch. There are four rod holders and a foldaway aft seat in the cockpit area to allow extra room for battling game when needed. The Sea Ray 370 Express Cruiser even has an entertainment center that also functions as a bait prep station with wetbar, sink, cooler, cutting board, freezer and convenient trash receptacle. Below, the cabin offers an amazing amount of storage space and room for four adults to relax without feeling cramped. The forward stateroom has a full-size bed, plenty of mirrored storage areas, and a standard entertainment center with a TV - VCR - radio combination. In the dinette - salon area the convertible dinette can be used for sleeping space by simply stowing the table in its dedicated compartment. The list of standard features also includes granite-look countertops, deep-pile marine-grade carpet, handcrafted wood trim, and even a Clarion AM-FM digital cassette stereo with six-disc CD changer, amplifier, subwoofer, eight speakers, and a cockpit remote control. All

extra gear is neatly hidden in the salon floor compartment with fold-down rod racks. The stylish galley on the 370 Express Cruiser boasts beautiful cabinetry and includes a flush-mounted two-burner electric stove, refrigerator, microwave, coffee maker, fiberglass countertop with Corian cutting board, and Grohe faucet. In the head area, there's a VacuFlush head with fiberglass settee, Corian vanity top, sink and storage, as well as a fiberglass shower with sliding curved acrylic door. The 370 Express Cruiser comes with an air conditioning and heating system, emergency start, windlass, fiberglass swim platform . And for peace of mind, the 370 Express Cruiser has a remote start generator with muffler, plus an electric cockpit sole that raises the entire upper cockpit area for fast, easy engine access when needed.

Accommodations

Centerline double berth in forward stateroom. Nicely equipped Galley. U-Settee/Dinette converts to double berth. Head with vanity, sink, VacuFlush toilet. Shower with curved door. Thick pile marine carpet. Built-in vacuum cleaner system. Air-conditioned cabin; very comfortably accommodates 4 adults.

Lower Helm--Electronics & Navigation

The lower helm is located on the starboard side on the raised Bridgedeck. It has a double wide power helm seat. Both burlwood Gauge fascia plates replaced.

- Raymarine E120 Radar w/Raydome
- Richie Compass
- Raymarine Ray 215 DSC VHF Radio
- Raytheon RayPilot 650 Autopilot
- Teleflex dual throttles and shifters
- Wood rim adjustable hydraulic steering
- Trim tab controls
- Full engine gauges (Tachometers, temp, oil pressure, engine sync, battery charge, fuel)
- Engine start/stop controls
- Horn button
- Spotlight controls

Upper Helm Tower--Electronics & Navigation

The Marlin Tower provides easy seating for two. The polished aluminum is in excellent condition with no pitting. It has a hard top structure, not a laced on bimini. There is plenty of electronics equipment up here and a great view for both navigation and spotting fish.

- Garmin GPSMap 740C chartplotter, fishfinder
- Raymarine E80 Radar w/radome

- Richie Compass
- Icom MC 412 VHF Radio
- Raytheon RayPilot 650 Autopilot
- Teleflex dual throttles and shifters
- Destroyer style SS hydraulic steering
- Trim tab controls
- Tachometers
- Engine start/stop controls
- Horn button

Stateroom--Forward

- Double centerline island berth
- Storage shelves on both sides of berth
- 13" Panasonic TV/VCR
- Opening overhead hatch
- (4) Opening hull portholes
- Air conditioned
- Two closets

Galley

The Galley features generous storage, a large refrigerator, two burner stove, microwave and coffeemaker.

- Air conditioner
- Refrigerator/Freezer 12v/110v
- 2-burner electric stove
- Water heater
- Overhead opening hatch
- Cabinets & Drawers
- Sink
- Corian Counter
- Trash bin

Head

- Shower with curved door
- Corian countertop with sink
- Vacuflush electric head system
- Hot/Cold water
- Vanity with storage
- Mirror
- Shower pumpout

- Opening hull porthole

Engines & Mechanical

- Twin Caterpillar 3116TA 340hp engines
- Power engine tilt hatch for easy access
- Fresh water cooled
- Racor fuel filters
- Air Sep Filter System
- Perko raw sea water strainers
- Engine room blower
- Cabin reverse cycle air conditioner
- Vacuflush head system

Electrical Equipment

- AC electrical system - (2) 30amp dockside inputs
- 12v DC electrical system
- Battery bank
- Westerbeke 7.5 Generator w/865 hours; full set of remote gauges (voltage, temperature, oil pressure)
- Alternators
- Battery charger
- Battery parallel switch
- (2) 30amp Dockside electrical cables
- 12v interior Lighting system
- AC/DC Panel located in Galley
- Voltage meter

Deck & Hull Equipment

- New Eisenglass four-sided enclosure
- 12v power windlass - power up and down at bow and lower helm
- Delta anchor 50' chain, 200' rode on pulpit with SS roller
- Anchor locker hatch at bow
- SS Railing from bow to mid-ship
- Stern opening door
- Fiberglass swim platform with concealed flip down ladder
- (4) Cleats on both sides (1 aft w/house pipe, 2 spring, 1 bow)
- (2) Cockpit scuppers

Fishing Equipment

- Full Marlin polished aluminum Tower with complete Helm Station, electronics and navigation equipment
- 25 Gallon Live-well
- Single Spreader Outriggers
- Bait Prep Station
- Fish Box
- (6) Coaming Rod Holders
- (10) Rocket Launchers on Tower
- (2) High power down lights mounted on top of tower
- Leaning Post with (4) Rod Holders
- 12v Downrigger power outlets under side coaming
- Cockpit fresh water and salt water washdowns
