SPECIFICATIONS

Overview

Mondomarine's 40-meter M40 EXPLORER yacht for sale with Northrop & Johnson is a classic expedition yacht with contemporary styling twists.

Her exterior was designed by Sergio Cutolo of Hydro Tec and she boasts an impressive range of 4,000nm. This tri-deck explorer yacht has a steel hull and light alloy superstructure to allow for global cruising. She has generous proportions for owner accommodation and vast exterior space, including a massive bridge deck aft, which is an ideal entertainment area. Both her bridge deck aft and sundeck have sunny and shaded areas for guests to enjoy. The sundeck also has a full-service bar, a Jacuzzi and offer panoramic views. The M40 EXPLORER yacht has a well-portioned beach club that leads to a swimming platform, well suited for watersports activities.

The M40 EXPLORER will offer accommodations for up to 10 guests. The full-beam master suite, located on the main deck, will have its own private study, as well as en-suite facilities. Four additional staterooms, two doubles and two twins, will be located on the lower deck.

The M40 EXPLORER yacht is less than 500 GRT. If you're interested in exploring the globe in a 40-meter yacht, look no further.
