## Overview

---

Mondomarine's M43 yacht for sale with Northrop & Johnson is a striking tri-deck designed by Hot Lab with impressive performance and range.

Designers have maximized the guests accommodations of the M43, complete with two full-beam cabins, the master suite and the VIP. The master suite located on the main deck will have a private office and en-suite bathroom. The full-beam VIP is located on the lower deck, along with three additional staterooms, one double and two twins. This accommodation layout makes the M43 ideally suited to charter.

This light alloy semi-displacement motor yacht is less than 500grt and is capable of top speeds of 22 knots. Her exterior spaces have been well utilized, featuring spacious seating areas on the foredeck and a well-designer sundeck with bar, lounging area and Jacuzzi with panoramic views.

Additionally, the M43 has a large stern tender garage, perfectly arranged for a vast supply of easily accessible tenders and toys.
