## Overview

---

Mondomarine's M60S for sale with Northrop & Johnson is a new construction yacht with Exterior and Interior designed by the renowned Luca Dini Design.

The M60S features a light alloy hull and superstructure, which allow for impressive performance and fuel efficiency. Her designers looked to maximize exterior guest deck space, whilst also allowing for two tender garages, both forward and aft, with ample space for an array of tenders and toys. The M60S is a sleek, contemporary and sophisticated tri-deck semi-displacement yacht with multiple unique features and bespoke style. Her vast sundeck includes an impressive swimming pool and gymnasium. She has a flush foredeck and a stunning beach club with gymnasium.

The M60S has a light and modern interior. Capable of accommodating up to 12 guests, she features an on-deck full-beam master with fold-out balconies, and five additional guest cabins, four doubles and one twin, located on the lower deck. The voluminous interior spaces and large windows allow natural light to flood the interior, bringing the outdoors in.
