DETAILED INFORMATION

Vessel Walkthrough

Maximum accommodation characterizes the Hatteras 68 Motor Yacht. The 68' Motor Yacht offers a unique below-deck layout with a standard four-stateroom, four-head layout.

EXCEPTIONAL LUXURY IN THE LIVING AREAS BELOW

The master suite has a king-size bed, a built-in vanity, his and her dressers and walk-in closets. The owner's accommodations are accessed by a stair well from the salon. The private master head also features a deluxe whirlpool bath with shower.

All other guest accommodations are forward of the engine room, accessed by a stairway from the pilot house. A VIP suite offers a full sized queen berth, along with a private head with stall shower.

In addition to the VIP suite there is a guest stateroom with twin berths, and an adjoining head with stall shower that also serves as a day head. A crew stateroom at the forepeak has upper and lower berths and a private head with stall shower.

COMFORT AND CONVENIENCE ABOVE

On the main deck, the enclosed pilot house gives access to the fly bridge, side decks and the galley area. Included in the galley space is a U-shaped dinette with ample seating.

The spacious salon measures nearly 25 feet in length, providing for comfortable dining and lounging areas. At the forward end of the salon is a built-in entertainment center, complete with AM/FM stereo receiver. A wet bar is also included.

Salon

The spacious salon measures nearly 25 feet in length, providing comfortable dining and lounging areas. At the forward end of the salon is a built-in entertainment center, complete with AM/FM stereo receiver, and a bar.

- Dining table with 4 custom upholstered chairs and 2 extra custom upholstered folding chairs
- Custom cabinets
- Seating for a large crowd on the L-shaped sofa with storage below
- 42" LED Samsung TV built-in and on lift
- Custom wood blinds through-out

Dinette

U-shaped dinette with ample seating starboard side with opening windows, abundant lighting and opposite to the galley for easy serving. Table top is Corian.

Galley

The U-shaped galley is located forward of the main salon on the port side and features:

- Panasonic microwave
- Frigidaire side-by-side refrigerator/freezer
- Trash compactor
- Porcelain sink with garbage disposal
- Countertop GE 4-burner stove
- Whirlpool oven
- Corian counters and backsplash
- Modern Maid dishwasher

Master Stateroom

The master suite has a king-size bed, a built -in vanity, his-and-her dressers and walk-in closet along with a 22" LED TV. The master suite is accessed by a stairwell from the salon.

Master Head

The master head features a white shower/tub with glass doors, black and white marble vanity with sink, large medicine cabinet with mirrored door and two side mirrored door cabinets for extra storage, electric Galleymaid toilet.

VIP Stateroom

Accessed by a stairway from the pilot house. The VIP suite offers a full size queen berth and 19" LCD TV along with a private head with stall shower.

VIP Head

A Galley Maid head with shower, sink and vanity is located on the starboard side. Washer and Dryer are located in the companionway adjacent to this stateroom.

Guest Stateroom & Head

The guest stateroom is located across the companionway starboard, offering twin beds, 19" LCD TV and a hanging locker with a white fiberglass enclosed shower stall with bench seat and glass doors as well. Wall mirror, dresser & A/C outlet.

Crew Stateroom

A crew stateroom at the forepeak has upper and lower berths and a private head with stall shower, 19" LCD TV and two hanging lockers.

Crew Head

The head is attached and features a fiberglass enclosed shower stall with bench seat, white vanity with sink, large mirrored medicine cabinet above sink with two door storage underneath sink along with a Galleymaid electric head.

Pilothouse

On the main deck, the enclosed pilot house gives access to the fly bridge, side decks and the galley area. The pilot house has excellent seating and a custom console for the electronics. There are trim tab controls, engine emergency shut downs, windshield wipers, and search light with electric control. The pilot house flooring is wood and the stairs lead to the fly bridge. Vetus 12.5" 628 lbf./48 volt bow thruster installed 2011.
