SPECIFICATIONS

Overview

An overall very good condition inside and out well equipped 330 Sundancer with Twin 7.4 Mercruiser Inboard power with 619 original hours use. The Sundancer 330 was one of Sea Ray's all time most popular models with great accommodations on deck and a spacious interior to comfortably sleep 6. Broker Description/Walk Through

With its distinctive styling, the Sea Ray 330 Sundancer stands apart from the crowd. This 33-footer sleeps six, has a large, versatile cockpit and all the performance anyone ever needs in a family cruiser. With twin inboard Mercruiser 7.4L/310HP V-drives , the 330 Sundancer is equipped for any adventure. The double helm seat gives captain and navigator a clear view of the water through the tempered glass windshield, which is center-vented to catch sea breezes and provide access to the foredeck. All instrumentation is within easy reach. A portside wet bar stands ready to accommodate any cockpit refreshment needs. The convenient fold-down step assists passengers in boarding. Lower the cockpit table, add the filler cushion, and create a sunpad for two. The aft seat is hinged so that the electrically actuated cockpit sole rises for instant access to the engines. Belowdecks to starboard, a plush sofa provides plenty of room to relax as well as a comfortable dining area. Lower the table, add the plump filler cushion and the sofa turns into a double berth. The mid-stateroom functions as a conversation area during waking hours, then converts to a double berth during sleeping hours. A screened sliding window admits plenty of fresh air and light. The forward stateroom features a double berth, two large mirrored hanging lockers and a privacy curtain that encloses the entire area. The head is located just inside the cabin door, providing easy access for passengers in the cockpit, as well as the cabin. The compartment includes a VacuFlush toilet, vanity with sink, and shower with curtain. In the galley, appointments include a large sink, refrigerator, flush-mounted two-burner electric stove, and microwave.
