SPECIFICATIONS

Overview

Built on a modified-V hull with a solid fiberglass bottom, her two-stateroom interior differs from other mid-range express cruisers in that a second head compartment is tucked into the aft stateroom—a convenience seldom found in a boat this size. Both staterooms come with sliding privacy doors (rather than curtains), and a hardwood floor in the galley accents the high-gloss cherry joinery in the salon. In the cockpit, a semicircular settee offers plenty of guest seating. A wet bar is standard, and a walk-through windshield provides bow access. The entire rear deck of the cockpit lifts hydraulically to permit walk-in access to the engine compartment from the swim platform. Additional features include upgraded cabin stereo and TV, a foredeck sun pad, an anchor washdown, power windshield vent, cockpit stereo and dimmer lights. Standard 420hp V-drive Mercruiser gas engines cruise at 18 knots (30+ knots top).

Basic Information

Category: Cruiser

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

LOA: 40' 0" (12.19m)

Beam: 13' 0" (3.96m)
