Overview

PRELIMINARY LISTING

This Rampage 38 Express is hard to beat for value and quality in a 38'-42' diesel express. "Up-Tick" is fresh to the market and has all the features one would want, including updated electronics, the more desirable Cummins 540 diesel package upgrade, a tower, and many other features that make her ready to fish. Her owners have found their next boat and she's priced to move this season!
