## Overview

---

This is the original battlewagon, and they don't call it that for nothing. Great sea keeping abilities with rigid structure. She was built when when labor and materials were affordable. This vessel has been constantly updated by its knowledgeable owner for the last 15 years. She was stripped of all the unnecessary items that provide a clean streamlined look. Engines have been overhauled and start on a dime with very little smoke. A proven fish raiser that is clean maintained and ready to go.
