DETAILED INFORMATION

INTRODUCTION

Custom built by President Marine in 1995, Annabella is a one-of-a-kind vessel. She is still owned by the original owner and has been meticulously maintained. Annabella offers an incredible amount of space, significant travel range, and a great choice for live-aboard cruising.

VESSEL WALKTHROUGH

Annabella has a huge teak swim platform. There is also a unique sliding glass door, which gives access to the Master Stateroom directly from the swim platform.

AFT DECK

The Aft Deck has brand new Eisenglass, which can be completely enclosed or you can open it to enjoy the breeze and fresh air. There is comfortable seating for 6 people, with a wet bar and a refrigerator.

SALON

The Salon has two seating areas, which fit up to 6 people. There is a tremendous amount of natural light from all of the windows and the light colored wooden interior is in beautiful shape. There is also a creatively designed full screen movie projector, which is useful for entertaining and watch productions at night.

GALLEY

The Galley offers ample space and proper appliances in order to put together an incredible meal. There is a full size refrigerator, freezer, trash compactor, stove, vent fan, sink and intricate rack for secure storage. In addition, there is a breakfast nook that is great for meals on the go.

BOW STATEROOM

The Bow Stateroom has a queen-size berth with an en-suite head and separate shower. There is great storage in this stateroom and it is complimented by a beautiful light wood interior.

MASTER STATEROOM

The Master Stateroom is full beam and appointed with an en-suite head with a separate shower. There is also a useful desk in this room and beautiful natural light coming in highlighting the lightwood throughout.

BOW SEATING

There is an excellent lounging area up front which would be useful at anchor or while slowly underway.

HISTORY OF PRESIDENT YACHTS

President Yachts International, located in tropical seaside Jiangjun Boat Harbor in Tainan City, Southern Taiwan, has been manufacturing and exporting luxury yachts worldwide for over 40 years. From humble beginnings in 1968, founder Eddie Yeh has built President Yachts' reputation as a skillful manufacturer of fiberglass boats with its own substantial slipway, allowing all yachts to be launched straight from the shipyard into the water for fitouts, sea trials and general testing, greatly improving the finished quality of the vessels.

President Yachts is now home to 150 skilled craftsmen, engineers, designers and support staff, whose dedicated teamwork since the early years has produced about

1,200 yachts, exported to boating markets all over the world. Even in periods of economic recession and extraordinary competition, President Yachts has maintained continuous growth and quality improvement.

The company has become a worldwide brand, well-known in markets in Europe, Australia, Japan, China and the United States. It is committed to developing better products with new technological innovations. Partnering with Nissan, for example, President Yachts has co-produced over 200 yachts for the Japanese market.

In the early 1990s, for the streamlined appearance, excellent endurance, and artistic and practical interior design of its vessels, President Yachts received the Certificate of National Excellence, and the Outstanding Product Awards.
