SPECIFICATIONS

Overview

Maintained to perfection, the Lisa Marie has had the best care available and has been lightly used. Her low hour (362 hours) 500hp Cummins diesels have been well cared for and she has an updated Furuno NAVNET 3D system, Side Power bow thruster and new cameras in the engine room and on the stern. She is not to be missed!

DETAILED INFORMATION

Layout Overview

This layout sleeps four owners/guests in two double staterooms plus the salon settee is sized to be another comfortable berth if you should need it. The forward master stateroom features a centerline island berth with 4 large drawers at the foot of the berth. There are storage cabinets outboard and above the berth, to port is a chest of drawers, to starboard is a cedar-lined hanging locker. Continuing aft to starboard there is a private access door to the head, which features a vanity/sink with a Corian counter top, cherry trimmed adjustable mirror and a clear Plexiglass circular shower stall. There is a wet locker outboard of the shower, which also has a built in seat and teak grate. The spacious main salon displays the fine craftsmanship that is found throughout the boat and is highlighted by a satin-varnished cherry interior woodwork and a teak and holly sole. Featuring a L-shaped Ultrasuede settee (with storage outboard and below), with a beautifully finished inlaid bird's eye maple adjustable table. Across from the settee is a bulkhead mounted flat screen TV and entertainment system. The fully equipped galley is aft to port boasts a Tundra fridge/freezer, ceramic cook top, and microwave oven, as well as abundant storage and Corian counter tops. The guest stateroom is opposite the galley and offers a convertible double berth, chest of drawers, and lockers under and outboard of the berth. The fully enclosed and climate controlled helm deck offers excellent 360 degree views that will be appreciated underway as well as when anchored or docked. The helm is to starboard and features a NAVNET Electronics package and excellent visibility which will be appreciated by the helmsman. A Stidd chair is found forward at the helm, with a single Stidd chair to the port side. There is an L-shaped settee with inlaid table aft to port, and to starboard you will find a wet bar with a Corian counter top, U-line refrigerator and a single bench seat. The cockpit is both spacious and functional. There is a double bench seat to port and a single opposite, separated by the companionway that leads up to the helm deck. The full beam lazarette offers a tremendous amount of storage and is accessed via 3 deck hatches. A walk-thru transom door leads out to the hydraulic swim platform. The wide side decks and large diameter stainless steel hand rails along with a raised teak toe rail make moving around the deck safe and secure.
