SPECIFICATIONS

Overview

This Rampage 41 Express was delivered new as a demo in 2014 and is a well maintained, fully equipped, one owner vessel. Rampage's Carolina flare and hull design gives it a smooth ride and great sea keeping ability. Troll with the Rupp outriggers or bottom fish in the 100+ sq ft cockpit. This boat is incredibly equipped with its enormous livewell, organized and easily accessible tackle center, and large fish boxes. The large helm deck with guest seating also makes this boat a pleasure to cruise with family and friends who can all be part of the good times in one area of communication. Enter the cabin and find the spacious 6'7" headroom and two stateroom layout. This layout provides a forward stateroom with privacy bulkhead and double doors, and an aft stateroom with two bunks, one of which is Pullman style. The galley and salon combine style and functionality with a comfortable feel. Call for your showing today, as this is a boat you will not want to miss.

Passport Premier Diesel, Captain's Class, Navigational Electronics and Generator Marine Extended Warranty Protection until March 2020
