(2) MTU, 12V 2000 M94 @ 1920HP

As of My 16th 2016, 500 Hrs.

Generators

Generator Hrs. (As of May 16th, 2016)

Gen 1: 1000 hrs

Gen2: 1000 hrs

Comments

Extended MTU warranties through 2020. This model results from the collaboration between Studio Zuccon International Project, Ferretti Group Engineering, the team of engineers and architects of the Group, and AYTD (Advanced Yacht Technology & Design), the research center of the Group. It features both the bronze dome over the helm station and the large glazed surfaces. There are two open-view windows in the master, large windows in the guest cabins and a double window in the forward VIP.

The glazed surface of the main deck has been increased and renewed thanks to the lowering of the gunwale. The outer look is characterized by outstanding lightness, elegance and aggressiveness.

Exclusions

Owner's personal belongings.

Disclaimer
