SPECIFICATIONS

Overview

This beautiful and well maintained Azimut flybridge yacht is maintained with no expense spared by a full time skipper who has been with the yacht since new. Inside and outside, it seems flawless. Ready to go in Phuket, and priced to sell.

This yacht is set up for fishing with outriggers and for diving with a Bauer scuba diving compressor and a 17KW Kohler generator onboard. Many other features including underwater lights set this yacht part from others.

Because the yacht is Thai Flag the yacht is charter ready for someone who would like to supplement the costs of the yacht with some charter income.

Her CAT C12 engines have been regularly serviced from new and she also boasts a water maker, Raymarine electronics, electric hob, microwave oven and comes with a 3.1m tender powered by a 9.9hp outboard engine.

Both her owner and Captain take pride in the boat and she is in immaculate condition, with only 1,000 engine hours and 2,400 generator hours. Viewing is strongly recommended and a comparable market analysis is available upon request.
