Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Sunseeker Portofino 46 adds an extra twist to the Sunseeker fleet, offering something a little bit different. She is a manoeuvrable offshore cruiser with the performance and range that one would expect, plus the familiar Sunseeker comforts and meticulous attention to detail. The Sunseeker 46 Portofino combines sleek standards, that is—Mediterranean styling with an excellent deck layout and comfortable cabin accommodations. It's hardly necessary to wax eloquent about the meticulous fit and finish found in a Sunseeker yacht; this is a company that doesn't cut any corners in the quality department.

Built on a deep-V hull with moderate beam and prop pockets to reduce shaft angles, the seductive interior of the 46 Portofino is an appealing mix of solid cherry cabinets, leather seating, hardwood flooring, and premium galley appliances. The master stateroom (with en-suite head) is forward, and a midcabin guest stateroom with twin single beds and private head is aft. Note the telescopic dining table in the salon.

Topside, the Portofino's open cockpit layout features U-shaped lounge seating aft, deluxe wet bar with refrigerator, bottle storage and barbecue, and a foldaway cocktail table. Teak decks are standard, and a hydraulic lift swim platform is a nice option upgrade. The Portofino reaches a Max speed of 33 knots with a comfortable cruise of 28 knots.

Sunseeker Portofino 46
