DETAILED INFORMATION

VESSEL WALK-THROUGH

Acquaviva is a flush deck cockpit motor yacht designed for an owner who wants a family-friendly layout. The layout includes an extremely spacious salon, galley, dinette area, flybridge, separate crews quarters and aft deck with cockpit

Her high gloss cherry wood salon is open and inviting and with her two curved and comfortable sofas it is the perfect place to come and relax after a fun day in the sun.

Below the main deck are three luxurious staterooms, mid-ship is the master with a larger walk-in closet and a separate ensuite head and oversized shower. Moving forward of the master is two-guest stateroom one with a queen size berth and the other has twin berths and a single pullman. Both staterooms are equipped with spacious ensuite head and showers.

Her flybridge is well laid out with two large settees, a fully equipped wet bar and covered hardtop. Moving aft on flybridge is the boat deck which houses the tender, Jet Ski, Quick lift davit,barbecue and extra freezer.

The aft deck and cockpit completes Acquaviva.

Salon

Curved sofa, to port

Curved sofa, starboard

Circular dining area forward with custom table and seating

Stairway down to guest staterooms

Carpeted sole with canvas runner and vinyl overhead panels with recessed lights

Glass top coffee table with custom base

Entertainment center

Four overhead speakers

Donkyo receiver

Playstation Sony controller

DVD Player

Direct TV Satellite receiver

Ipod base

GALLEY / DINETTE

Forward of main salon area

Teak and holly sole with vinyl overhead and recessed lights

General Electric Profile two-door refrigerator/freezer with ice and cold water dispenser

Samsung microwave oven

General Electric Profile 4-burner cooktop

General Electric Profile oven

Samsung dishwasher

Granite counter top with stainless steel sink, Moen single-lever control with spray nozzle and garbage disposal

Island workstation with granite counter tops and storage drawers, cabinets and below

Two swing-out bar stools mounted to island workstation facing helm area that is on stainless steel mounts

Stairway to flybridge starboard of galley

Edgestar wine chiller void at base of stair way

Articulated side doors to the decks on both port and starboard

Dinette

L-shaped dinette with cushions to starboard with a wooden table on pedestal

A.C./D.C. electrical distribution panels, starboard aft

STARBOARD ON-DECK HEAD

Marble counter and stainless steel sink with hot/cold water faucet as well as a marble tile sole

and vinyl overhead with recessed lights

Mirrored wall forward of sink

Vacuflush head

Lower Helm

Forward of galley, teak and holly sole with vinyl overhead and recessed lights

Comfortable helm chair with footrest and a wooden steering wheel

Raytheon ST60 wind speed/direction indicator

Raytheon RN300 GPS

Raytheon RL80C Pathfinder Radar

Raytheon ST60 speed indicator

Raytheon RP65 autopilot

VDO Logic electronic compass

Uniden UM415 VHF

Raytheon satellite telephone

Q-See closed circuit television monitor with control pad

ACR remote spotlight control

Two Caterpillar engine displays

Trim tab controls and indicators

Naiad stabilizer control panel

Hynautic clutch and throttle controls

Naiad bow thruster control

Five fuel gauges

Two water gauge and a Tank Watch III monitor to black water tank

Wiper controls

Two fire system monitors

Storage below helm with hold light

MASTER STATEROOM

Island king berth, with a nightstand each side and padded head board

Two wall-mounted sconce lights

Four drawers below berth

Teak and holly sole with carpet over Vinyl overhead with overhead recessed lights

Two portholes with drop shades

Port settee

Port vanity with drawers and movable bench

Starboard walking closet lined with cedar and built in safe, plenty of hanging space as well as drawers inside

Kenwood stereo

Samsung television

Samsung Blue Ray player

Direct TV Satellite television receiver

Tucked away in cabinets air conditioning handler, stabilizer actuators

MASTER STATEROOM HEAD

Entrance is on the port aft in the master stateroom

Large shower stall finished in marble with a bench seat and glass door

Telephone-type showerhead, with hot and cold-water faucet

Marble counter with two porcelain sinks and storage below

Medicine locker above counter

Vacuflush head and bidet

Porthole with curtains

PORT GUEST STATEROOM

Carpeted sole with teak and holly flooring below

Queen berth, with nightstands on either side

Two wall mount lamps

Vinyl overhead with recessed lights

Two portholes, outboard, with draperies

Dressing table, forward, with three storage drawers

Corner mounted cabinet with tambour door forward

Wall mounted television

Samsung Blue Ray

Kenwood radio

Cedar lined hanging locker

Air conditioning air handler under hanging locker

PORT GUEST STATEROOM HEAD

Elongated shower stall with a marble bench seating and grated wooden sole, with a wooden framed door and glass insert

Marble countertop with recessed porcelain sink and hot and cold water faucet with storage below

Marble tile sole with overhead recessed lights

Vacuum flush toilet

Starboard Guest Stateroom

Teak and holly sole with carpet over, vinyl overhead with recessed lights

Two single berths with two drawers below outward berth and padded headboards

Pullman berth, over inboard berth

Nightstand in between berth with storage below

Mirrored forward bulkhead

Television cabinet with tambour doors and storage below hanging locker with light

Porthole covered with draperies

Air conditioning unit, under hanging locker

Kenwood stereo

Toshiba TV/DVD combo

Two overhead stereo speakers

STARBOARD GUEST STATEROOM HEAD

Shower stall with teak frame door and glass inlay, teak grate sole, adjustable telephone type shower head

Marble countertop with porcelain sink and storage below

Vacuum head

Porthole with draperies

GUEST COMPANIONWAY

Carpeted steps from salon

Lighting at each step

Wood valance overhead with mirrors and lighting

Four recessed lights

Central vacuum outlet

General Electric washer and dryer

Mirror, port, with storage cabinet below

Entrance to master stateroom, aft

Entrance to guest staterooms, forward

UNDER AFT COMPANIONWAY

600-gallon aluminum fuel tank

80-gallon fiberglass holding tank

Two head vacuum pumps

Holding tank discharge pump

Head discharge Y-valve

CAPTAINS QUARTERS

Double berth, outboard, with two drawers and storage under, padded headboard

Nightstands with drawer, forward of berth

Two reading lights at head of berth

Carpeted sole vinyl paneling overhead with recessed lights

Two overhead speakers

Opening port, outboard

Cedar-lined hanging locker with light, port forward

Toshiba television with DVD player

Cruisair air conditioning control panel (SMX II)

97-gallon stainless steel water tank, under berth

CAPTAINS HEAD

Marble tile sole

Vinyl overhead with recessed lights

Marble top vanity with under mount porcelain sink, hot and cold water faucet

Shower stall, inboard, with teak grate over sump

Grohe shower unit with detachable head and wall bracket, soap dish, overhead exhaust

Overhead exhaust fan

Vacuum toilet

Mirrored cabinet, outboard forward

Opening port

Storage under vanity

Linen closet, port aft

Escape hatch to foredeck

CREW STATEROOM

Carpeted sole, vinyl overhead with recessed lights

Over and under berth, outboard

Porthole, outboard, with curtains

Two reading lights at head of berths

Hanging locker, outboard aft

Two storage drawers below lower berth

Nightstand with storage

Viore television with DVD player

Escape hatch to foredeck

UNDER CREW STATEROOM SOLE

Battery in covered box

Bow thruster

Head pump

CREW HEAD

Marble tile sole with panel overhead and recessed lights

Marble counter top with porcelain sink and hot and cold water faucet

Storage under vanity

Mirror on outboard bulkhead

Vacuum flush toilet

Shower stall with wooden famed door and glass inlay, in the shower their is a bench seat finished in marble with a teak grate sole.

CREW FORWARD COMPANIONWAY

Carpeted sole with vinyl overhead and recessed lights

Carpeted steps with rope lighting

Kenmore combination clothes washer and dryer

UNDER FORWARD COMPANIONWAY

435-gallon stainless steel water tank

Crew head pump

HARDTOP

Custom fiberglass hardtop with two stereo speakers and recessed LED lights

Isen glass facing forward

Radar scanner

TracVision G6 Sat TV

Two sat television antenna domes

Three GPS antennas

Forward navigation light

Anchor light

Sirius satellite radio antenna

Two VHF antennas

FLYBRIDGE AND HELM

Helm

Three adjustable [Pompanette] helm and companion seats

Helm pedestal with the following mounted

Stainless steel Destroyer-type steering wheel

Caterpillar digital and analog instrumentation

Rudder angle indicator

ICOM IC-M127 VHF radio

Raytheon Ray Pilot RP650

Trim tab controls with indicator

Raytheon ST60 digital depth indicator

Raytheon Pathfinder RL80C 72-mile radar

Raytheon ST60 speed indicator

Garmin 3010C GPS plotter

Danforth compass

Two windlass controls

Naiad bow thruster control

Hynautic clutch and throttle controls

Four bilge pump indicator lights

Naiad stabilizer controls

Four bilge alarm indicators

ACR remote spotlight control

Wet Bar Area

Granite counter with stainless steel sink

Under counter refrigerator and Scotsman ice maker

Three custom bar stools

Seating

L-shaped bench seat, port aft, with storage aft of bar area with cocktail table

L-shaped bench seat, starboard, with storage Fiberglass cocktail table, starboard

is fiberglass with nonskid sole

Assorted life jacket

ACR Sat 406 MHz EPIRP

Storage cabinet, port outboard

30" Jim Buoy life ring with retrieval line

Clarion AM-FM/CD player with Sirius

BOAT DECK

Quick lift hydraulic davit

Built in Gaggenau barbeque grill with storage

Flagstaff holder

Stern light

Aluminum dinghy chocks

8-person Revere life raft

Access to aft deck down stainless steel famed sliding door with a Plexiglas insert, below the bow of the tender

TENDER AND PERSONAL WATERCRAFT

Tender

14' Nautica model - 14FTPTJ hard bottom inflatable, with 50-hp Yamaha

Fiberglass helm console

Padded helm bench seat

Ritchie compass

ICOM IC-M304 VHF radio

Hummingbird depth sounder

Yamaha single lever engine controls

Engine instrumentation with tachometer

12-volt battery with switch

Lifting bridle

PERSONAL WATERCRAFT

Yamaha Wave runner

Aft Deck

Teak dining table with bench seating aft of table, with storage; cushions and cover

Four teak deck chairs

Wet bar, forward, with Scotsman ice maker and Edgestar refrigerator

Jensen television

Nine steps to bridge with courtesy lights

Teak deck

Storage in pilaster, port and starboard

Four overhead stereo speakers

Recessed overhead lighting

Stainless steel handrail, port and starboard

Boarding gate, port and starboard

Mooring bollard, port and starboard

Hawse pipe, port and starboard

Bulkhead, forward, with with stainless steel framed glass sliding door

Deck drains, port and starboard

Diesel fill, starboard

Maxwell 2200 warping windlass, port, with foot switch

Cockpit

Teak deck

Two access hatches into the lazarette

Two hawse pipe/cleats, port and starboard sides

Four steps to aft deck with courtesy lights, port and starboard

Transom door, starboard

Showerhead on hose, port aft, with hot and cold faucet

Swim Platform

Teak deck

Four stainless steel looped hand rails

Bollard, port and starboard

LAZARETTE

450-gallon aluminum fuel tank, centerline sight gauge to fuel tank, starboard

Hydraulic steering actuators

Autopilot feedback sender

Rudder angle sender

Stainless steel tiller arm and tie bars

Drum for shore cable, port and starboard

Trim tab pump with reservoir

Overhead holds lights, port and starboard

Automatic bilge pump

High water alarm

Breakers to shore power inlets

NuTone central vacuum unit

Hull

BOTTOM: Molded fiberglass

KEEL: 8" x 3" aft end

TOPSIDES: Molded fiberglass

SUPERSTRUCTURE: Fiberglass with core

STEERING GEAR: Hydraulic

Bronze PROPELLERS: 4-blade 38" x 30.25"

PROPELLER SHAFTS: 3" stainless steel

ENGINE BED: Fiberglass stringers with steel frames

Trim Tabs Dual-cylinder trim tabs

Transom zinc

Bow thruster

Stabilizer fins, port and starboard

Three - Sea Vision underwater lights

DECKS AND SUPERSTRUCTURE

Boarding gate, port and starboard

Side deck door, port and starboard

Bow seating area with cushions and cover

Stainless steel hand rails and bow rails

Overhead courtesy lights, port and starboard

Deck courtesy lights, port and starboard

Hawse pipe, port and starboard

ACR searchlight on superstructure

Dual stainless steel horn trumpets on superstructure

Two deck hatches to chain locker

Two mooring bollards

Two Maxwell 3500 windlasses with foot control switches

Two 100-lb Plow stainless steel anchors with two stainless steel roller assemblies

Two lengths of 200' anchor chain in port and starboard rope locker

Raw water outlet in starboard rope locker

Freshwater outlet in port rope locker

Engine Room

Main Engines

Twin - Caterpillar 3412E

Generators

Twin - Onan 27KW Generators w/sound shield

Groco sea strainers

Naiad 254 stabilizer controller/reservoir

Naiad HPS bow thruster reservoir with power takeoff on starboard engine

Bow thruster cooling pump

Hydraulic stabilizer pump on starboard engine

Custom underwater engine exhaust with idle by-pass

Eight 8D 12-volt batteries, centerline, in fiberglass box that supplies power to engines and house

600-gallon fuel tank, port and starboard

Sea Recovery 1200 GPD water maker

Workbench

Panasonic Hybrid telephone

Seven air conditioning compressor units Hydraulic steering pump on port engine

Fuel manifold, forward to port and aft

Dual Racor fuel filters with vacuum gauges for main engines

Racor fuel filters to generators

Two generator batteries with cut-off switches mounted in covered boxes on top of fuel tanks

Two Raritan 20-gallon water heaters with heat exchangers

Sentry 12-volt battery charger

Four Dolphin 24-volt battery chargers

Electrical panel with two engine battery cut-off switches, battery parallel switch ,four blower switches and six battery voltmeters

automatic bilge pump

High water alarm

Windlass breaker

Four blowers

Four extractors

Two shore power transformers

Two Fireboy FE-241 cylinders

Two emergency engine stop switches

Hand-operated bilge pump

Freshwater outlet

Headhunter Mach 5 freshwater pump

Four D.C. lights in safety cages

Three A.C. fluorescent lights in safety cages

Panasonic closed-circuit television camera

AIR CONDITIONING

MANUFACTURE: Marine Air

NO. OF COMPRESSORS: 7

Electrical System

VOLTAGE: 120/240

LIGHTING: 24-volt D.C,110-volt A.C.

BATTERY: in covered battery boxes at various locations

SWITCHBOARD In wheelhouse

Tanks

DIESEL

NUMBER/CAPACITY: Six tanks with 2 840 gallons total

LOCATION[s]

Two 600-gallon port and starboard outboard in engine room

One 450-gallon in lazarette

One 90-gallon centerline in engine room

One 600-gallon under guest companionway

One 500-gallon under master stateroom sole

WATER

CAPACITY: approximately 697 gallons total

LOCATION[s]:

97-gallon under captain's cabin

435-gallons under forward companionway

60-gallon under master stateroom

105-gallon under inboard berth in starboard guest stateroom

HOLDING TANK

CAPACITY: one 80 gallon tank

LOCATION[s]: under aft companionway

Exclusions

Owner's personal belongings.
