Broker Comments

Offered for the first time, ORANGE BLOSSOM is hull #5 of 5 MARC NEWSON EDITIONS produced. This MARC NEWSON AQUARIVA, is a collectable yacht from the lineage of RIVA. NEWSON took the typical hull form of this series and incorporated a unique and timeless styling with bold and simple strokes. With less than 100 total hours, 3/4 of which were in fresh water, the boat looks virtually new and cosmetically a "10". This boat, in person, is a head turner.

Exclusions

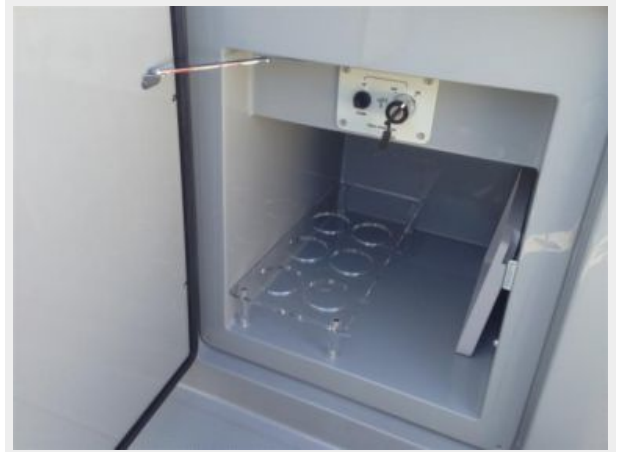

Owner's personal belongings.
