Model: 6CX

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Sabre 42 sedan bridge was built on the popular 42 hardtop express hull with prop pockets and her traditional Downeast styling. Featuring a master stateroom forward with queen walk around bed, a guest cabin to starboard with double French doors and a large galley down to port, she still has plenty of room in the salon and the lower helm area for entertaining and lounging. Visibility from the lower helm is excellent, and she is equipped with a deck access door at the lower helm. On deck, wide and deep steps, rather than a vertical ladder, leads from the large cockpit to the bridge, which features plenty of seating and a well laid out helm.

Staterooms

- Master stateroom forward with Queen size island berth
- Sharp Liquid Crystal flatscreen television in master stateroom
- Storage below berth (factory option) and in shelf lockers
- Dovetailed drawers throughout
- Hanging lockers with cedar lining
- Overhead hatches and opening portlights
- Guest cabin to starboard with pocket door enclosure
- Lounge in guest stateroom converts to double berth
- Marine Air Reverse cycle heat and air conditioning, with controls in both cabins
- Private access to head compartment from master cabin
- Teak and holly flooring
- Accord shades on all opening ports (factory option)

Head

- Jabsco fresh water flush head w/holding tank and macerator
- Shower stall in head with curved acrylic enclosure
- Corian countertop with sink and faucet
