- Zodiac tender.
- Honda 4 stroke outboard.
- Outboard bracket in engine room.
- Air conditioning.
- Teak laid side deck.

Broker's Comments

The Grand Mistral Hardtop needs little introduction – she is a superbly versatile cruising boat, with performance, excellent build quality, comfortable accommodation and understated looks.

‘MAGDALA’ has been very well-specified, with a huge inventory fitted – as can be seen from the extras list above!

Construction

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass fiber matting and Divinycell core. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies, construction principles and more advanced construction production equipment, resulting in more cost – effective and quality oriented processes in – house. But above all, Windy is a “Boat Builder” and not a manufacturer of boats, a philosophy, which characterizes their production staff and all those within their distribution network.

Construction Details

- The hull is blue gelcoat.
- Cockpit and bathing platform are teak laid.
- High gloss interior cherry joinery with beige fabric saloon upholstery.
- White Windy cockpit upholstery with blue piping.
- Automatic extinguisher to engine compartment.
- Automatic / manual bilge pumps.

Machinery Details

- 2 x Volvo Penta D4 – 260hp
- Hours run – c.340 August 2015
- Duo Prop stern-drives
- Trim tabs with Bennett indicators
- Maximum c.39 knots, cruising speed 18-32 knots
