SPECIFICATIONS

Overview

This Sea Ray 42 Sedan Bridge could be just what you have been looking for in a 40'-45" Sedan Bridge with "all the right stuff".

Barely Legal IV is absolutely turn-key and sets herself apart in many ways including: covered, freshwater slip, new Cummins 480 CE's installed April 2011 with under 70 hours,(Cummins 480 engine head recall), SAT TV, open array radar, updated electronics, excellent canvas, excellent gel-coat, cherry interior, bow-thruster and custom carpet runners. She's about an hour north of New Orleans on the Tickfaw river and ready to show today.

Hull Configuration: Planing

Hull Color: PEWTER

Hull Finish: Plastic

Engine Information

Engines: 2

Manufacturer: Cummins

Model: 480CE

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Entering from the cockpit and through the sliding stainless steel door you immediately notice the beautiful and airy interior woodwork and fabrics. To port is a settee which you'll find converts into a full size bed. To starboard is the entertainment center with flatscreen and another settee with built-in storage beneath. Further forward and to port is the elevated dinette which offers a panoramic view and an adjustable glossed wood table. To starboard is a small breakfast bar that overlooks the galley below. Down three steps, which open to reveal the combo washer and dryer, is the galley. The galley has excellent storage and plenty of food preparation area that will please any chef. Further forward and to port is entry into the guest stateroom with twin berths, which convert into a king berth with center insert, a hanging locker and ample under-berth storage areas. Immediately across from the guest entry is the galley pantry. Further port is access into the guest/day head complete with VacuFlush head, vanity, and separate stall shower. Forward is the master stateroom with a center line queen berth with storage drawers underneath. To port is a large hanging locker and the wall mounted flatscreen TV and to starboard is another hanging locker and storage. The master has an ensuite head complete with a VacuFlush head, vanity, and stall shower.

Outside, the cockpit area is fantastic. She has the optional rear transom seat that will hold 4 adults comfortably for an afternoon cruise, and there's also an optional fridge/freezer built-in to port. Below the cockpit sole there's access into the engine room and lazarette. The cockpit also has a transom door to the swim platform, access to the side decks and molded fiberglass stairs to the bridge. The flybridge has a closing door which reduces exterior noise and keeps everyone safely on the flybridge. The flybridge seats a crowd with two helm chairs with bolsters and a large convertible U-shaped aft dinette which also becomes a sun pad. One will find it hard to find a better layout on a cruising boat and this model continues to be one of Sea Ray's most popular models ever!

Salon

- Flatscreen TV with DVD, stereo, theater system
- Twin couches- one converts to double bed
- Wood blinds
- Carbon monoxide monitors
- Carpet runners
- 44 ounce carpet (New 2014)
- Cherry interior option
