# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

The 245 XSF is our second forward seating model in the Sportfish line-up. The 245 XSF measures 24'5" long with a wide beam of 8'6". This power packed center console also contains a 125-gallon fuel tank, which allows anglers to get to the fishing grounds and back with unprecedented range. The technologically-advanced fuel efficient NuV3 hull means tremendous fuel savings, and combined with the bow flare assures a very dry and exceptionally smooth ride when slicing through rough seas. The 245 features insulated port and starboard fish boxes (40 gallons each), an insulated forward cooler (40 quarts) and the forward console seat houses an insulated console cooler (165 quarts). Two bait wells sit port and starboard aft, nine and ten gallons respectively - and there's even room for a large bucket to fit inside the starboard well. The 222SF, 245XSF and 262XSF are available in Guy Harvey Limited Editions.
